the  
to  
and  
a  
I  
you  
it  
in

Sight Words for this week.  
Please practice these words in order.

If you would like to order from the September Book order please send in your order forms with a cheque made out to Scholastic Canada Limited or cash or by paying on-line by September 12.

I am looking for volunteers who would be willing to listen to children read. This can be on a regular basis or any time you have a morning or afternoon to spare or even just an hour. Please send a note, call me after 3:15 or e-mail me if you are able to help out.

If your child does any printing at home please reinforce starting at the top and at the left hand side. I am sending home a sheet which shows you how we will be teaching them to make the letters.

In Unit Studies we are studying the Needs of Living Things. We will be tracing our bodies and will be planting seeds to see what plants need to grow.

A few children do not have headphones or paint shirts. We will be painting soon so if you want your child's clothing to stay unpainted please send the shirt to school.

If your child wants to go to RazKids [www.raz-kids.com](http://www.raz-kids.com) you just have to type in the teacher as akroese1.

We are doing Freckle Education on the iPads daily. I will send home a card so if your child wants to do it at home he/she can. You can also see what they are working on at school.

**Library  
We have library  
beginning on  
Wednesday. They will  
be taking out two books  
every week. Please  
remember to bring  
them back on  
time.**

Our memory verse for September is Genesis 1:1 and 31a. "In the beginning God created the heavens and the earth. God saw all that he had made and it was very good.

Mrs. J. Siepman
